WORKSHOP FOR TEACHERS

(JULY 11, 2023)

A webinar on 'Master Teaching Strategy - I Do, We Do, You Do' was conducted by S.Chand's CPD Corner Publication. The resource person was Ms. T. Rajeswari, Specialist, Early Childhood Education. She explained the model of - I Do, We Do, You Do' which involves the ways of encoding and retrieving the material in an organised way. It also provides support through prompting comparative and organized thinking.

Nature and Purpose of Assessment

Identify the needs, preferences, and interests of the child

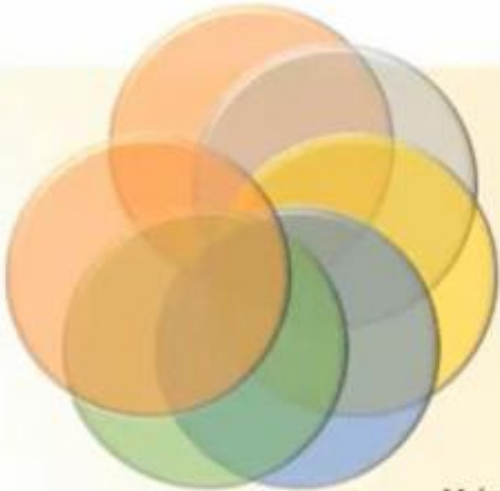

Give the Teacher an insight into the learning achievement of the child and guide the Teacher on the future course of action

Give an overall view of the learning achievement of children in a classroom, at an aggregate level

Allow consolidation of learning

Give the rate of progression over a period of time for each child

Make collaboration and coordination possible in efforts to provide the appropriate learning opportunities for the child

zoom
