SESSION: 2024-25

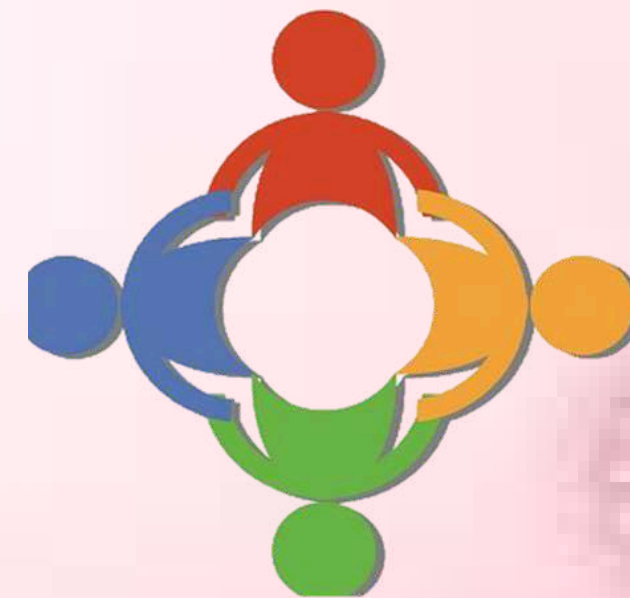

MONTH: APRIL

YOUR MONTHLY GUIDE TO THE NEWS, INFORMATION & EVENTS

INDUCTION PROGRAMME(MARCH 30, 2024)

Induction Programme for teachers was conducted on March 30. The main objective was to make the teachers aware about school's rules & regulations, institutional development and various department activities so that the role of faculty at various levels could be clear to them. The school Principal Mrs. Vinita Kumar Tomar explained the steps required to be taken for the excellence in education. She also discussed about the importance of team work and ownership for professional growth of teachers. This programme gave the teachers an opportunity to get familiar with each other. Various games and activities were also organised to create a friendly environment. The programme ended with a delicious lunch.

PARENT TEACHER ASSOCIATION MEETING(MARCH 30, 2024)

PTA is one of the most significant organisation in the school community to promote harmonious relationship among all the stakeholders by utilising the suggestions of its prestigious members for the holistic development of the students. It was conducted on April 4. Active involvement of parents in it was a huge success for us. A PPT was presented highlighting achievements of the school in academic and co-curricular aspects of session 2023 - 2024. Parents applauded the school culture and it's friendly and conducive environment.They also put forth their valuable suggestions to bring more success ahead.The meeting ended with a vote of thanks proposed by the Principal.

VIRTUAL ORIENTATION PROGRAMME (MARCH 31, 2024)

A virtual orientation programme was organised for newly admitted students on March 31 with an objective to make the students and parents aware of the academic aspects of the curriculum, the rules and regulations of the school and ensuring the performance and progress of the students. The class teachers shared the PowerPoint Presentation with their respective class students and parents in the evening to bridge the gap between teachers and students. Each class PPT was comprised of the introduction of class teacher along with his/her picture and a welcome message by the Principal. Our endeavour was to familiarise the new students with the school culture.

WELCOME BACK TO SCHOOL (APRIL 1, 2024)

A new day signifies a new beginning. The school had a festive occasion to welcome the students on their first day of school. To mark their first step towards learning at school, a joyful and friendly atmosphere was created. They were guided by the teachers to their respective classrooms. A welcome assembly to mark the beginning of the session was conducted by the teachers. It all seemed serene as the students and teachers together prayed for a successful year ahead. Engagement in activities during the day stimulated the students and they carried beautiful takeaway as a sweet reminiscence of their first day at school.

WORLD HEALTH DAY (April 6, 2024)

Raising awareness about physical health and mental wellbeing, we celebrated World Health Day on April 6. Capturing the theme of 2024 given by the World Health Organisation 'My Health, My Right', different activities were organised for the following classes -

Nursery – Dress Up as Favourite Fruit 🍓

Class I – Tiffin with Healthy Food 🥕 🥑

L.K.G – Making Lemonade 🍋

Class II – Quiz Contest on World Health Day 📝 🧐

U.K.G – Making Fruit Chat 🍊 🍎

Classes III to VI – One Minute Talk on Favourite Dish 🗣️

Classes VI to XII – Powerpoint Presentation

Astronomy Night Session at the International Gemini Observatory North (April 10, 2024)

University of California organised a dedicated Astronomy Night Session at the International Gemini Observatory North for CBSE on April 10. Students of classes IX and X attended this session. The observatory team used the Gemini North Telescope located near the summit of Maunakea on the island of Hawaii. The observation was about the asteroids in our solar system, massive stars and distant galaxies. The session was very informative and useful for the students and teachers.

BAISAKHI CELEBRATION (APRIL 12, 2024)

Our school was bustling with excitement on April 12, as we celebrated Baisakhi, vibrantly and enthusiastically on this day. Little ones from Nursery to II looked adorable in their Punjabi attires, bringing colour to the day. The vibrant decorations and festivities added an extra spark, making the day feel truly special for the toddlers. The students from classes III to V rocked the auditorium stage with Punjabi songs and filled it with festive feel. Meanwhile, the students of class VI created beautiful bookmarks based on theme 'Baisakhi'. It was a day filled with laughter, music and cultural pride.

IAYP ORIENTATION PROGRAMME (APRIL 15, 2024)

International Award for Young People (IAYP) Orientation Programme was conducted for the students of classes IX - XII on April 15 by the Award Leaders to signify the importance of IAYP, purpose, level of awards and how to register through powerpoint presentation. The pupose of this workshop was to encourage the students to be a part of this program and get an opportunity to develop soft skills such as leadership, teamwork and confidence under three levels : Gold, Silver & Bronze.

MATH TABLES ACTIVITY(III – V) & MATH QUIZ(VI–VIII)

(APRIL 19, 2024)

Math Department conducted Math Tables Activity for classes III to V and Math Quiz for classes VI to VIII on April 19 to foster independent learning, reasoning & problem solving skills.

EDUCATIONAL VISIT TO CHANDIGARH (APRIL 19 , 2024)

Students of classes VII & VIII alongwith their teachers visited Chandigarh on April 19. In the 1st phase, they reached 'The Tribune Press' where the concerned authority briefed the students about the establishment of The Tribune newspaper in India after the partition of India and the working and printing process of newspaper in different departments.

In IInd phase of their trip they visited 'Bird Park' with different varieties of bird species including aquatic, terrestrial and tamed which was the place of main attraction. At last the students were taken to 'Rock Garden' which is a masterpiece made by the waste material. Students enjoyed water fall and sculpture made up of different materials. It was a great experience for the students.

INSPIRED LIVING-SUCCESSFUL LIFE (APRIL 20 , 2024)

A Guest lecture on 'Inspired Living - Successful Life' was organized for classes IX -XII on April 20. The resource person Dr. Praveen K Singh, IAS, Additional Secretary to Government of India, shared her views on inspired living with an aim to make the students responsible towards their environment, inculcate basic values among them, motivate them to join civil services. Students showed their keen interest and asked questions about the tips and techniques to do preparation for civil services. Overall it was amazing and quite informative.

EARTH DAY CELEBRATION (APRIL 22, 2024)

“Look deep into nature and then you will understand everything better.”
On April 22, Earth Day was celebrated in the school with fervor & dedication by the kindergatrten and primary wing with a view to get sensitized about the conservation of natural resources and to contribute towards making the planet more beautiful.

The activities conducted on Earth Day are -

Class Nur	Tree Plantation
Class Prep I	Headbands or Crown using Nature's Object
Class Prep II	Show & Tell on Nature's Object
Class 1 & 2	Poetry Recitation Competition on 'Our Earth, Our Pride'
Classes III & IV	Badge Making
Class V	Visit to Poly House, Gharaunda
Class VI	Slogan Writing
Class VII & VIII	Essay Writing
Class IX – XII	Inter School Poster Making & Powerpoint Presentation Competitions

INTER SCHOOL CONTEST ON EARTH DAY (APRIL 22, 2024)

Science Department organised Poster Making and PowerPoint Presentation Contest on April 22 on the occasion of Earth Day to create awareness to save the Earth from crisis. The role of the jury was performed by Associate Professor, Mukta Chandna (S.D.P.G.College, Panipat). 72 students from 12 well-known schools participated in the Contests.

In the program, the students of our school gave the message of saving the earth from crisis through the song. It was a very mesmerising and an informative event.

VISIT TO POLY HOUSE, GHARAUNDA (APRIL 22, 2024)

The fifth-grade students along with their class-in-charge visited the Poly House in Gharaunda on April 22 where its caretaker explained to the students the entire process of growing organic vegetables. It helped them gain knowledge about the poly house. They saw many vegetables growing naturally in the field, such as gourds, squash & ivy gourds. It was a very unique and new experience for the students.

MAGIC SHOW (APRIL 23, 2024)

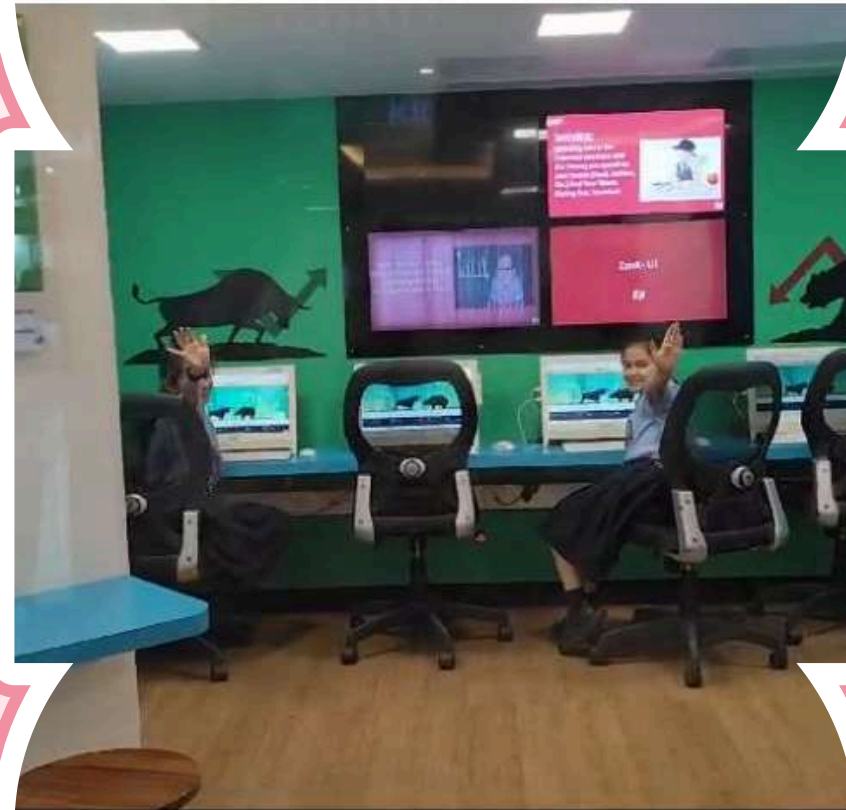

A Magic Show was organized on April 23 on behalf of 'Indian Red Cross Society' for the classes I to VIII. The magician entertained the students with his amazing magic tricks and various feats. The students applauded and cheered after every trick and they were all eager to try to figure out how the tricks were done.

KIDZANIA TRIP (APRIL 24, 2024)

A trip to Kidzania for classes IV to VI was organised on April 24 which proved to be an exhilarating experience for the students, sharpening their insight through real- world - role - playing activities. The students enjoyed a plethora of activities based on understanding about real-world occupations like pilot,captain, doctor,chef, engineer, radio jockey, car mechanic and many other spheres of life with full glee. Indeed, the trip was a resounding success and represented a unique approach for the students to learn, enjoy and hone their abilities.

CAREER COUNSELLING PROGRAMME (APRIL 25 , 2024)

An enlightening program was organized for the students of classes X to XII by Mr. Binit Binod, a Management Graduate, Pratham Institute on April 25. In his address, he described the process of CUET Exam, topmost Universities, Colleges, the admission criteria, importance of different career prospects in future, the need of skill grooming etc. While addressing to grade X students, he described the examination structure and tips to enhance practical training and need to explore different options basically based on their interest and intellect. It was indeed, a knowledgeable counselling session.

IAYP ADVENTURE CAMP (APRIL 26-28, 2024)

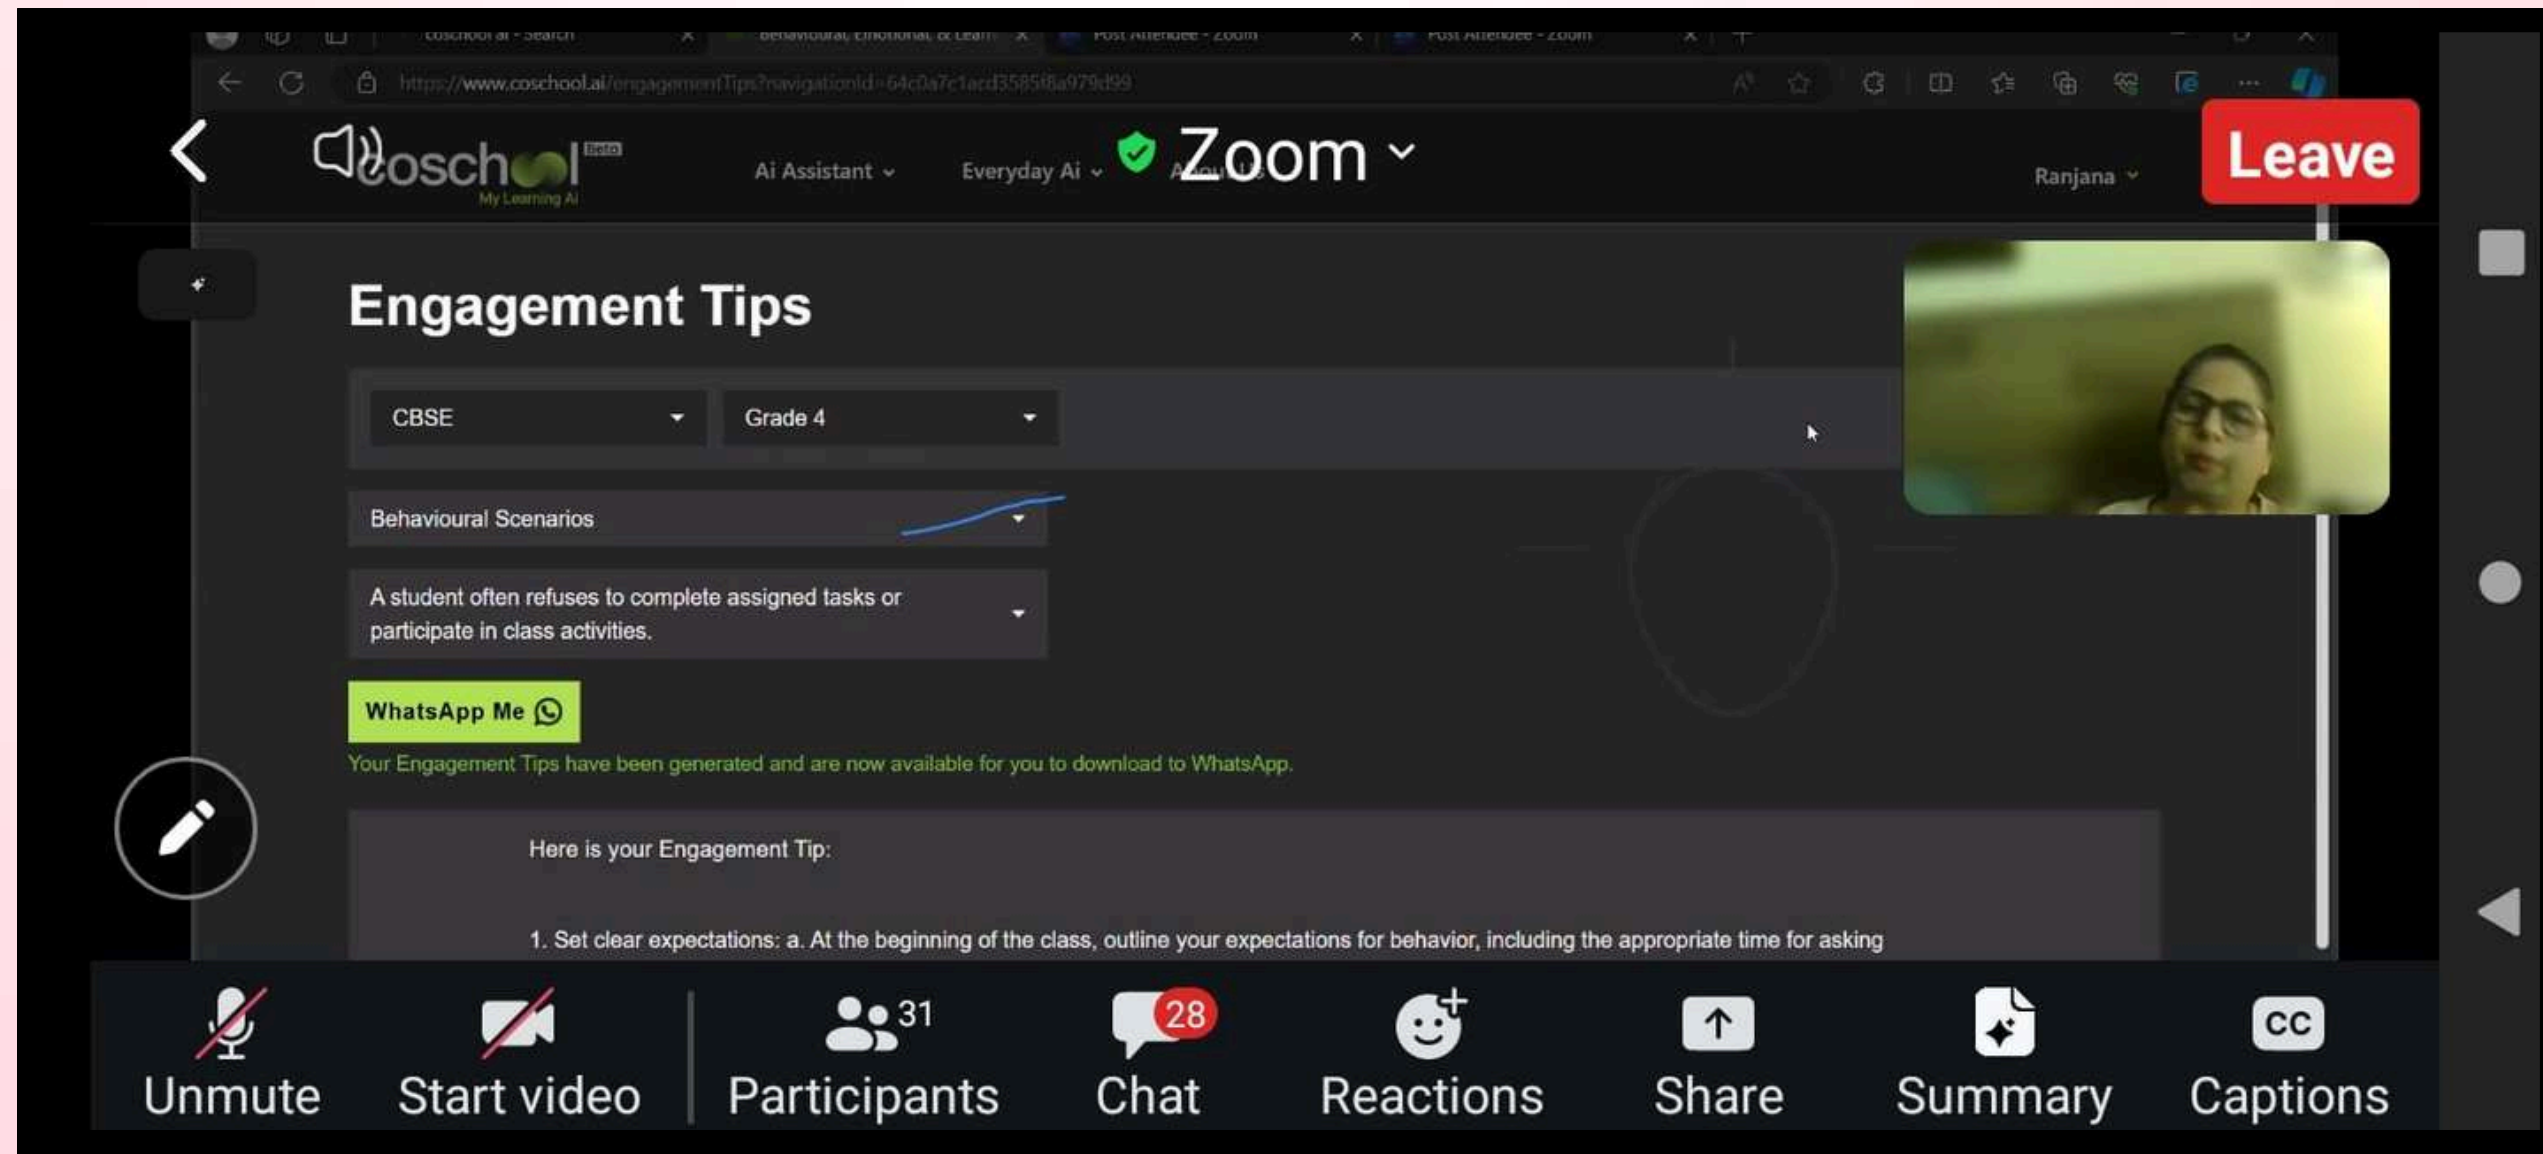

“Life is about adventures you take and the memories you make”.

Keeping the above-said thought in mind, DSPS, Panipat initiated an adventurous tour to Junga Hills from April 26 to 28 which is mainly located in Shimla. 46 IAYPIans of our school registered themselves to explore the scenic beauty and adventure it offered. Over the course of three days, students got engaged in a variety of adventurous activities, embarked on a cleanliness campaign, and immersed themselves in the local culture, gaining insights into the lifestyle, income sources, festivals, and experiences of the people living in the area. The trip to Junga, Shimla, proved to be a holistic blend of adventure, community engagement and cleanliness campaign.

WEBINAR (APRIL 26, 2024)

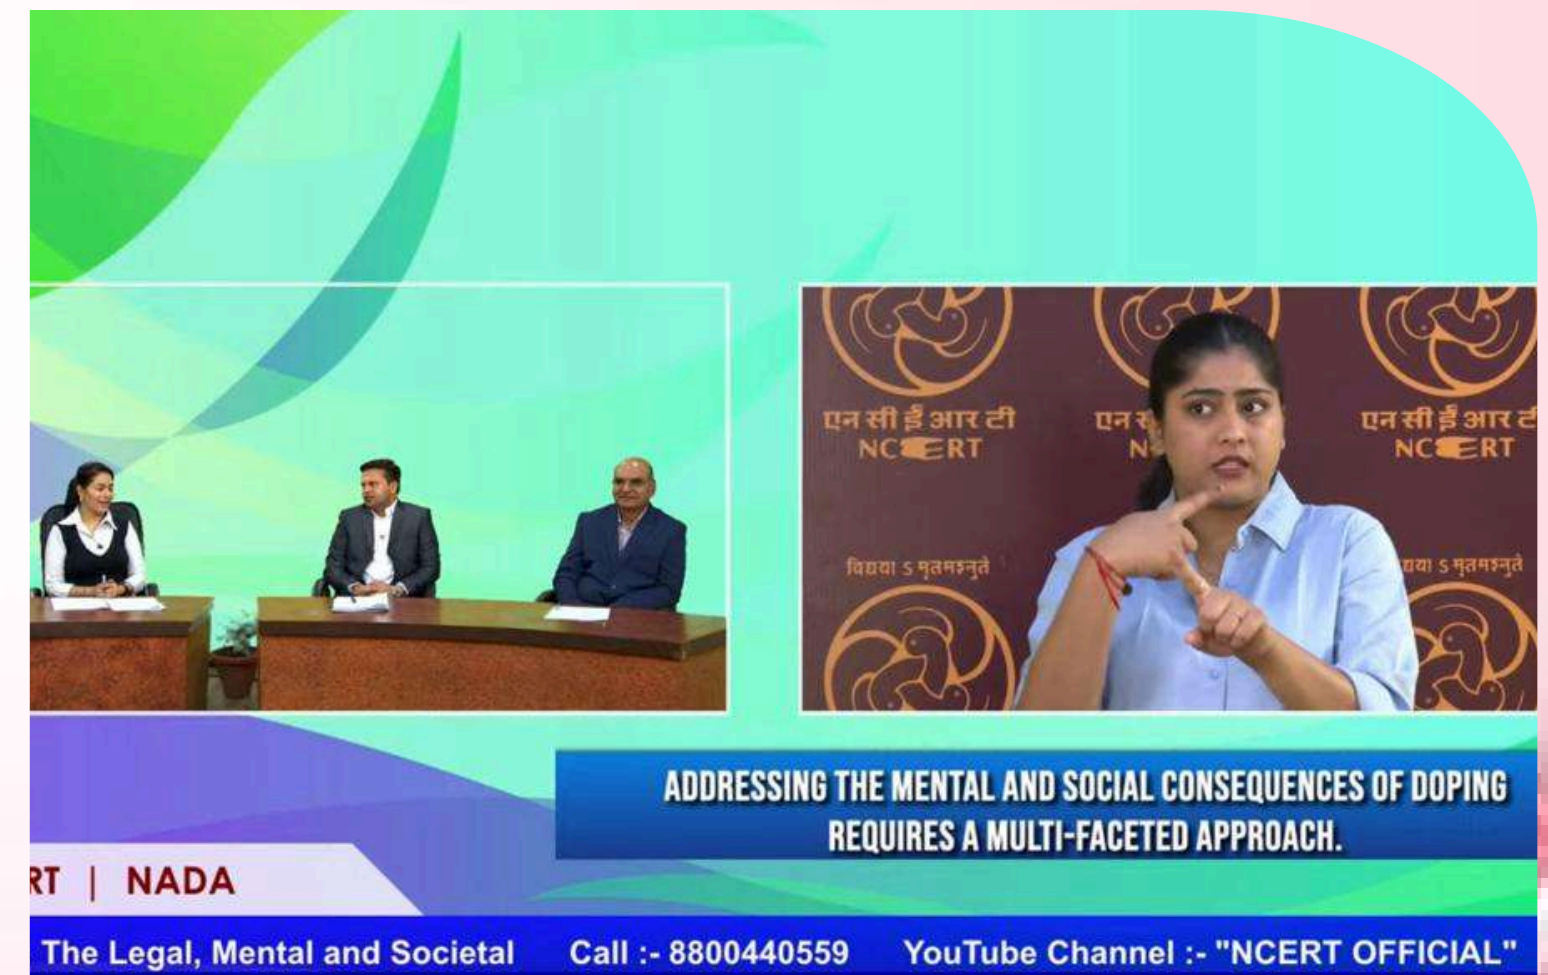

“A webinar on 'AI for teachers' was conducted by the resource person Samhita Soma, AI Expert, Coschool.AI on April 26 for all the teachers. She empowered them with knowledge of AI and its effective use in Lesson planning which will help them trigger the curiosity of students through activities generated by AI tools. She also emphasized the tips for engaging students in the subject matter being taught in the class. It was very insightful and unique webinar for enhancing teaching skills.

The screenshot displays a Zoom mobile app interface during a webinar. At the top, the browser address bar shows the URL: <https://www.coschool.ai/engagement-tips?navigationId=64c0a7c1acd3585d8a979d99>. The Zoom header includes the Coschool logo, "Ai Assistant", "Everyday Ai", the Zoom logo, and the name "Ranjana" with a "Leave" button. The main content area is titled "Engagement Tips" and features dropdown menus for "CBSE" and "Grade 4". Below these, a "Behavioural Scenarios" section lists a tip: "A student often refuses to complete assigned tasks or participate in class activities." A green "WhatsApp Me" button is visible, along with a notification: "Your Engagement Tips have been generated and are now available for you to download to WhatsApp." The tip content is displayed in a scrollable area, starting with "Here is your Engagement Tip:" and "1. Set clear expectations: a. At the beginning of the class, outline your expectations for behavior, including the appropriate time for asking". The bottom navigation bar includes icons for Unmute, Start video, Participants (31), Chat (28), Reactions, Share, Summary, and Captions.

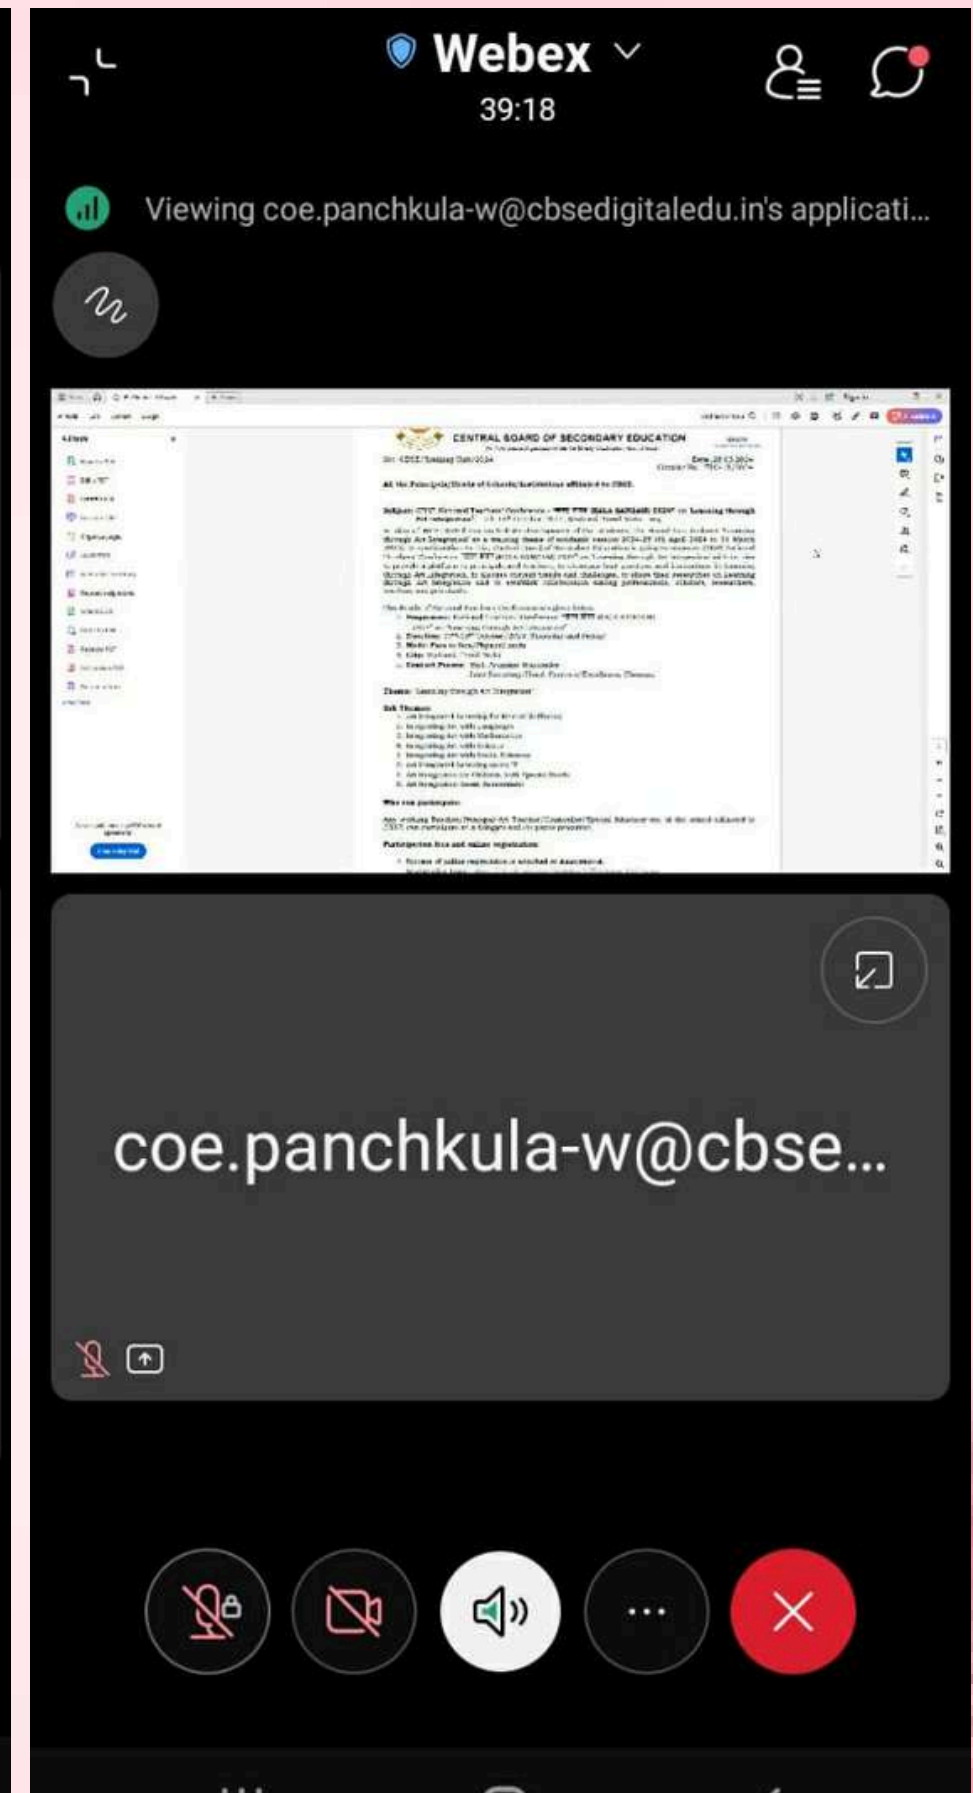

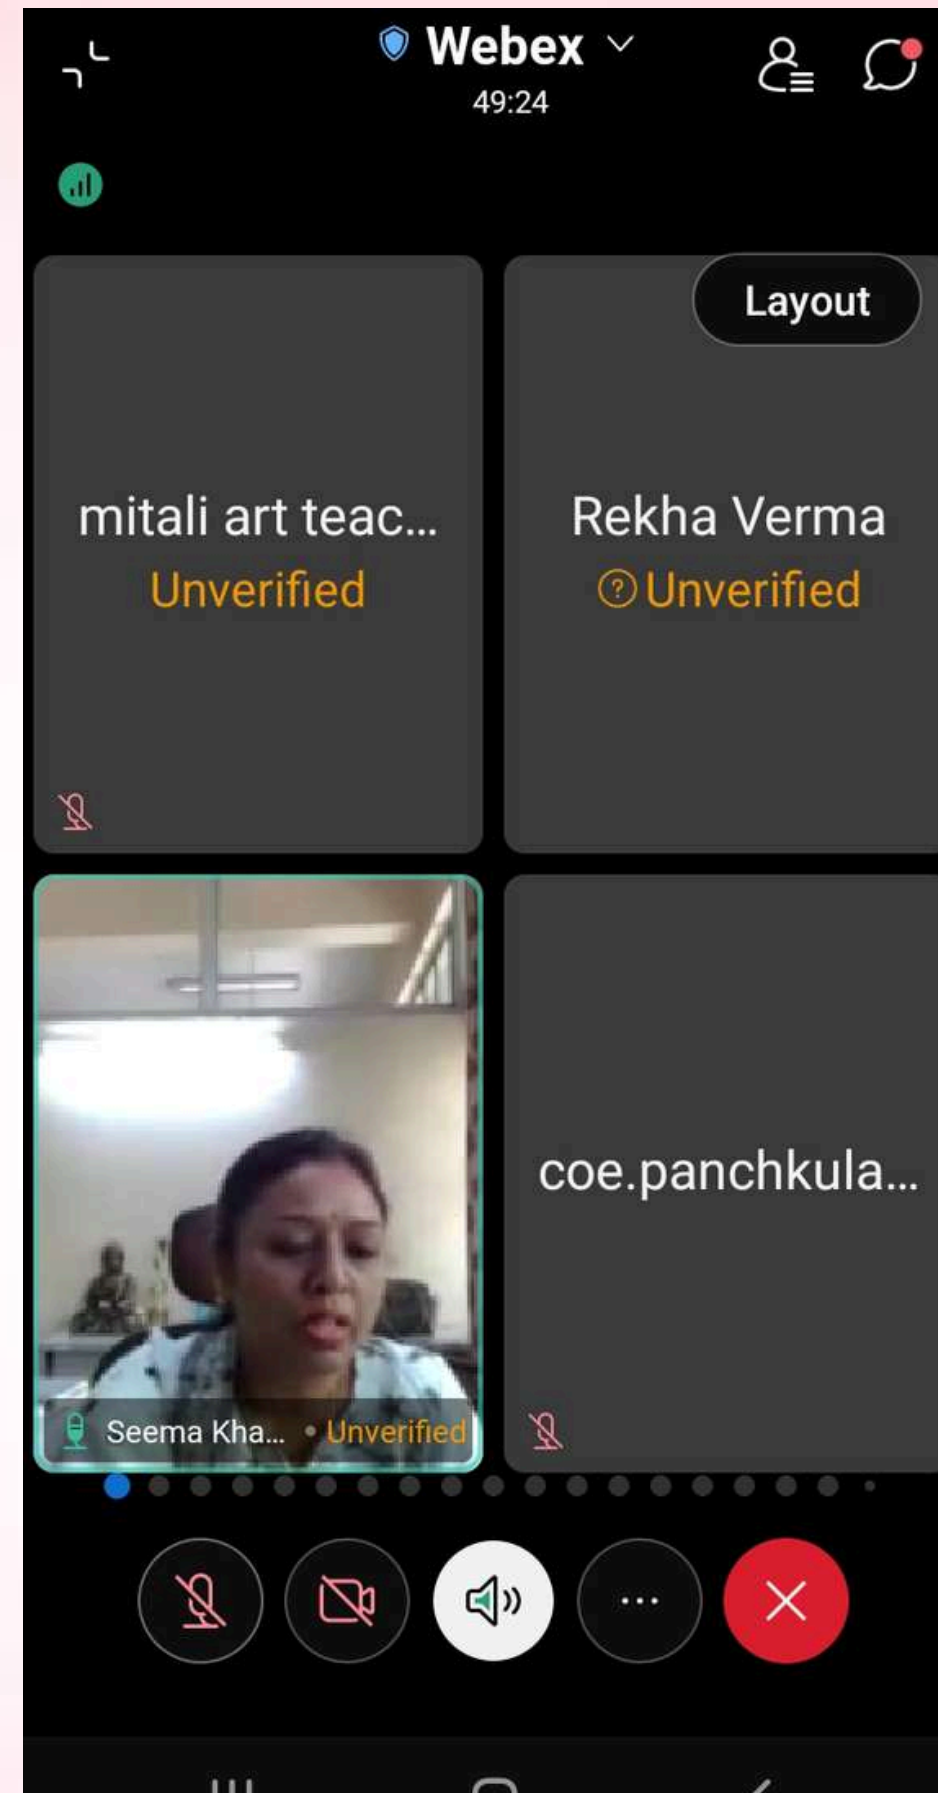

WEBINAR (APRIL 30, 2024)

Physical Education Teachers of our school attended a webinar on the 'Consequences of Doping: Legal, Mental and Societal' on April 30 at 11:00 AM. It was organised by NADA, in partnership with NCERT, to offer a valuable chance to improve the knowledge of anti-doping regulations and the negative impact of doping in sports.

WEBINAR (APRIL 30, 2024)

CBSE conducted a webinar on 'Learning through Art Integration' as a training theme of academic session 2024-25 with an aim to discuss current trends and challenges and to tackle them by establishing collaboration among scholars, professions and researchers. The resource person Mrs. Seema Khakha, CEO, CBSE also guided the teachers about CBSE National Teachers' Conference - Kala Sangam to be held on 17 and 18 October 2024. Art and Craft faculty of our school attended this webinar. They found it very informative and insightful.

ACHIEVEMENT

Result of JEE Mains Session 2 was declared on April 25 and we feel elated to share that Vichitr, a student of our school enlisted himself as one of the top achievers of Panipat District by qualifying the exam with 99.68 percentile. His score was 99.29 percentile in the first Session JEE Main Exam.

JEE Main result declared, high scorers rejoice

TRIBUNE REPORTERS

PANIPAT, APRIL 25

Around 10 students of Panipat city have secured more than 99 percentile in JEE Main Session 2, the results of which were declared today.

Vichitr Arora, a student of Dyal Singh Public School here, who secured 99.68 percentile, said he wanted to become a computer engineer. He said he had been regular both at his school and coaching institute throughout the year. "I secured 99.29 percentile in the first JEE Main examination, but this time, I secured 99.68 percentile," he said.

"I used to study for eight hours consistently and focused on the basics, which helped me crack the exam," he said. "I am working hard for the JEE (Advanced) now," he said.

Meanwhile, Krish secured 99.58 percentile, Shivam Saini 99.39 percentile, Tanshq Mittal 99.33 percentile, Laksh Alawadhi 99.29 percentile, Sanyam 99.29 percentile, Tushar 99.24 percentile, Kushagra Narang 99.18 percentile and Nikhil Kumar secured 99.16 percentile.

In Hisar district, as many as five students secured 99 percentile and more. Manuj has scored 99.98 percentile

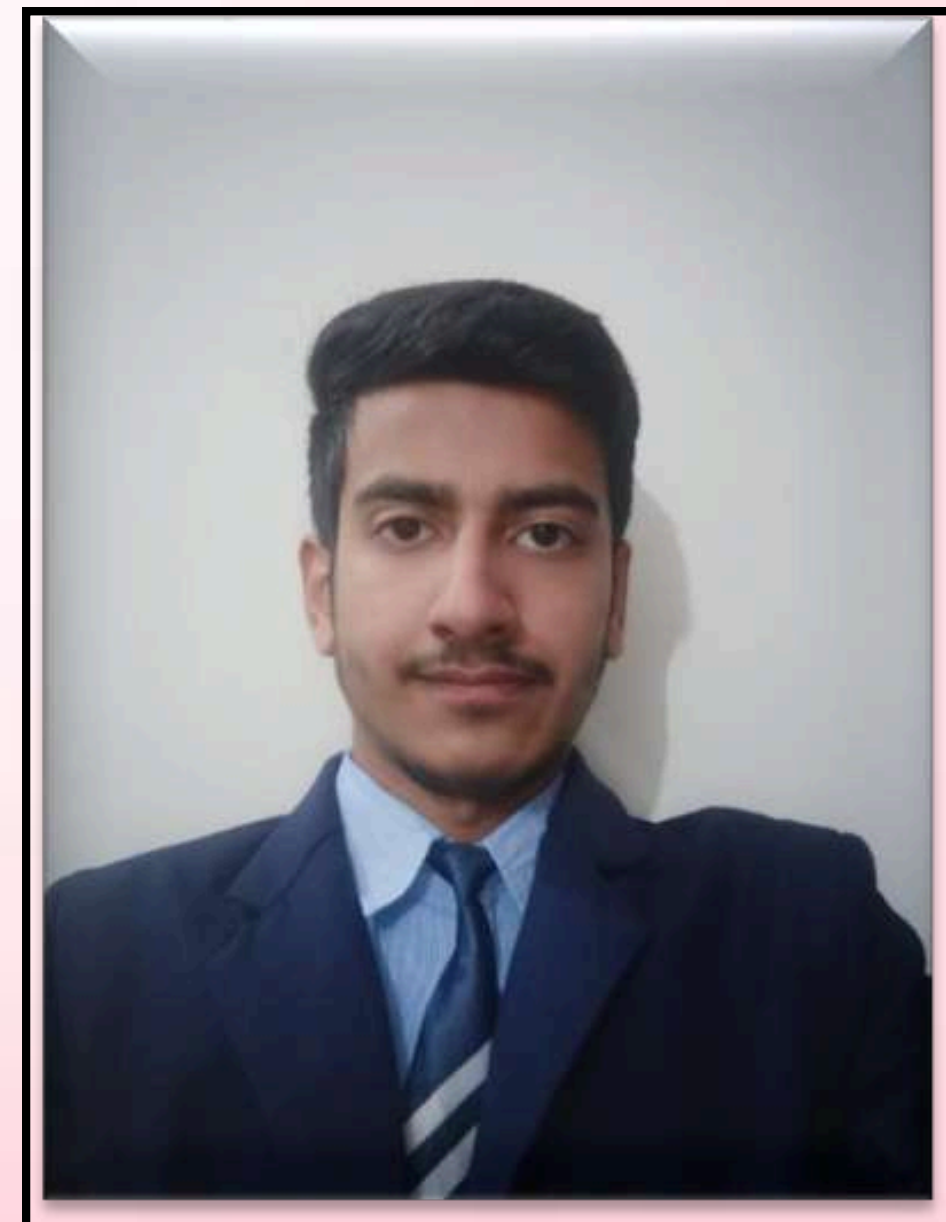

Students rejoice in Panipat after the declaration of results.

with AIR 314, Rishit Barala 99.43 percentile with AIR 9,152, Kunal Khairwal 99.42 percentile, Rashmi 99.42

percentile and Priyanshi Sehra 99 percentile.

In Yamunanagar, Aradhana Garg, who secured 98.766 percentile, said, "Consistent studies with clarity of basics is the key to success in such entrance exams. Students should always keep up with their hobbies along with studies as they are very helpful in keeping good mental and physical health."

Meanwhile, Narnaul lad Punit Saini, who has secured 99.29 percentile, aspires to get admission in the computer science stream at IIT-Mumbai for which he has been toiling for the past over a year.

SPORTS
